CONGRESS CENTRE

Elevate your brand. Inspire your team.

Just minutes from the A1 motorway, Dom Gonçalo Hotel & SPA offers a premium setting for events that demand more: a strategic location, discreet service, and a space designed for high-performing teams and ambitious gatherings.

With natural daylight and a calm atmosphere, our rooms adapt effortlessly to the format of your event. Serra Daire, Oureana and Iria are ideal for leadership meetings, creative sessions or personalised workshops. Rota do Sol is perfect for larger-scale events — from conferences and launches to gala dinners or private celebrations.

Reliable tech, on-site support and refined hospitality ensure every moment runs with precision. And because ideas don't just happen in the meeting room, our signature cuisine and premium comfort turn every break into part of the experience.
